

IMPLEMENTATION OF QUALITY IMPROVEMENT

MRS GF MNCWANGO

South African Nursing Council

Regulating nursing, advocating for the public

PRESENTATION OUTLINE

1. Background
 2. Facility visited by SANC
 3. Definitions
 4. Quality improvement
 5. Steps of Quality improvement
 6. Model approach to improve quality
 7. Gap identified
 8. Facility implementing the quality improvement
- 
- A decorative graphic consisting of a thick, dark blue curved line that starts on the left and ends on the right, with a lighter blue triangular shape pointing upwards at the right end.

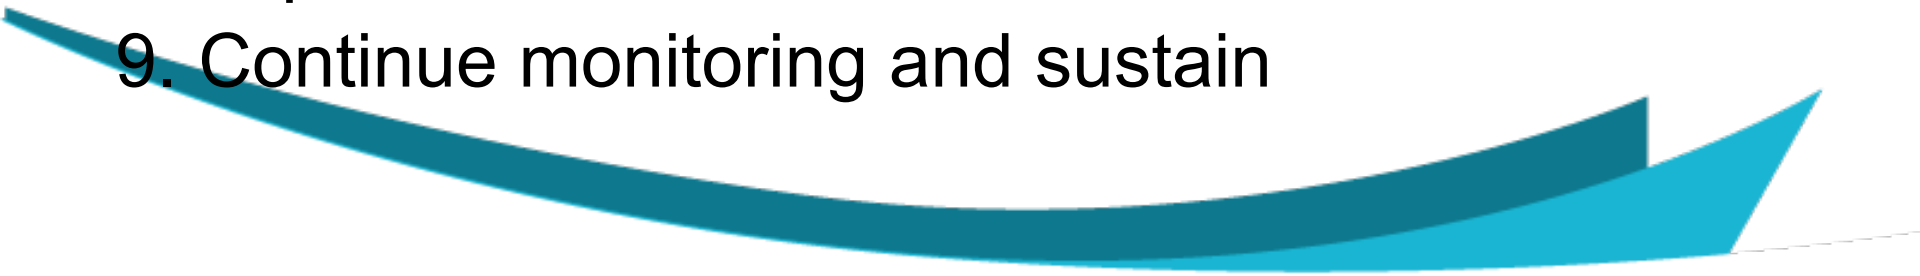

INSPECTED 22-25 NOV 22

QUALITY IMPROVEMENT

- **Quality improvement:** Process of developing and implementing effective changes for improving healthcare delivery and health outcomes.
 - Quality improvement is a core component of healthcare organizations.
- 
- A decorative graphic element consisting of a thick, curved blue line that starts on the left side of the slide and sweeps upwards and to the right, ending near the bottom right corner. The line has a slight gradient and a sharp point at its end.

QI STEPS

1. List and priorities improvement opportunities
 2. Define the improvement objectives
 3. Define requirements
 4. Collect and analyze data
 5. Select the root cause
 6. Generate potential solutions
 7. Select the best solution
 8. Implement the solution and evaluate results
 9. Continue monitoring and sustain
- 
- A decorative graphic element consisting of a thick, curved blue bar that starts on the left side of the slide and curves upwards towards the right, ending near the bottom right corner. The bar has a slight gradient and a sharp point at its right end.

GAPS IDENTIFIED

**No evidence of implementation of SANC
CPD process in the Facility.**

PDSA Cycle –Plan

- Engaged stakeholders-conducted meeting
 - CPD Committee was formed, with Terms of reference and members appointed
 - CPD Champion appointed
 - Prepare all CPD documents
- 
- A decorative graphic consisting of a thick, dark blue curved line that starts on the left, dips down, and then rises towards the right, ending in a sharp upward-pointing arrowhead. A lighter blue curved line follows a similar path just below the first one.

PDSA CYCLE - DEVELOP

- Each domain have CPD File with lesson plans on SANC Template.
 - Communication to staff on SANC Framework: Thematic areas & CPD Points.
 - All in-service training aligned with Themes for delivery and required CPD Points.
 - CPD Register for each domain.
- 
- A decorative graphic consisting of a thick, dark blue curved line that starts on the left, dips down, and then rises towards the right, ending in a sharp upward-pointing arrowhead. A lighter blue curved line follows a similar path just below it.

PDSA CYCLE – STUDY

- Monitor CPD tools availability in each domain
 - Design CPD Log sheet for each staff
 - CPD Champion report quarterly on progress in CPD Meetings.
- 
- A decorative graphic consisting of a thick, dark blue curved line that starts on the left, dips down, and then rises towards the right, ending in a sharp upward-pointing arrowhead. A lighter blue curved line follows a similar path just below it.

PDSA CYCLE-ACT

- Adopting the intervention, namely monitor staff on CPD activities for compliance with SANC CPD framework
 - Tracking the improvement progress
 - Quarterly monitoring evidence checking registers and log sheet.
- 
- A decorative graphic consisting of two overlapping curved lines in shades of blue, starting from the left and sweeping upwards towards the right, positioned at the bottom of the slide.

CONCLUSION

Quality improvement in nursing are initiatives created to improve nursing practices, patient outcomes, systems processes, improved work environment and regulatory compliance.

A decorative graphic consisting of a thick, dark blue curved line that starts on the left, dips down, and then rises towards the right, ending in a sharp upward-pointing arrowhead. A lighter blue curved line follows a similar path just below the first one.

THANK YOU

WAY FORWARD

- TWG to review Council approved standards based on pilot results.
 - Submit revised standards to Laws Practice , Standards Committee.
 - Laws Committee submit standards for Council approval for government promulgation as Regulations for Nursing Practice.
- 
- A decorative graphic consisting of a thick, dark blue curved line that starts on the left and ends on the right, with a lighter blue arrow-like shape pointing to the right at the end.
