SOUTH AFRICAN NURSING COUNCIL (SANC) EXAMINATION SCHEDULE – 2023

The correct reference must appear on all deposits to expedite the processing of your payment. The code 'EXAMFEE' must only be used for payment in respect of examination fee. This code must **not be used for any other types of payment**. Here is an **example** of what a correct reference will look like for an NEI with S-number S12345:

S12345EXAMFEE

NB: The Head of the NEI must ensure that payment of fees by their Provincial Department of Health or Head Office is made separately for each NEI and for each specific examination.

Provincial bulk payments without specifications create administrative challenges and cause a delay in processing of the applications.

5. Only those candidates that have been issued an examination timetable/number will be eligible to write the SANC examination.
6. All practical MARK SHEETS must be submitted to the SANC by registered mail/courier by the end of the month in which the examination is written. If the PRACTICAL MARK SHEETS in a SANC format are not submitted on time, the examination results will be published **without the practical marks**, hence qualification certificate will not be issued to the affected candidates.
7. The SANC requests invigilators not to enclose the practical mark sheet or any other documents with the examination package.
8. The SANC reserves the right to cancel an examination reflected on the schedule if there are insufficient candidates for such an examination.
9. The SANC requests the NEIs to inform all their candidates of the outcome of the examination results once published. No examination results will be given out telephonically by the office of the SANC. However, candidates will receive results via text messages (SMS).

NB: Examination fees are non-refundable according to Regulations regarding fees and fines payable to the South African Nursing Council (Government Notice No.R.170 of 8 March 2013)
