Age Statistics: Notes

(2023)

AGE DISTRIBUTION STATISTICS

1. Uses the date of birth of each nurse on 31 December of the specified year.
2. If no date of birth has been provided, a nurse is counted as Not Reported (N/R).
3. The figures are based on nurses resident in South Africa according to the register.

AGE ANALYSIS STATISTICS

1. Uses the date of birth of each student on the day she/he either:
 - a) commences training for the first time; or
 - b) completes his/her training.
2. The age analysis includes all student registrations/completions **processed** in the year specified.
3. The figures are based on nurses attending Nursing Education Institutions in South Africa only.
